With a rich history of eight centuries of excellence, Université of Paris 1 Panthéon-Sorbonne, is one of the best French universities recognised internationally. Its vision is to become one of the best research and knowledge centres of the 21st century in Europe.

**A UNIVERSITY WITH A RICH HISTORY**

1257 – The college created by Robert de Sorbon in 1253, officially becomes “Sorbonne”.

1469 – Installation of the first printing company in France in the basement of the Sorbonne.

1806 – Napoléon decided to create five faculties in Paris, of which three were based in Sorbonne.

1896 – The University is restructured in Paris with the consolidation of its five faculties.

1956 – Creation of IAE, Institut d’Administration des Entreprises, known today as Sorbonne Business School.

1970 – Creation of the Université Paris 1 Panthéon-Sorbonne pursuant to the decree of the 23rd September 1970

**SORBONNE BUSINESS SCHOOL IAE DE PARIS**

Better known as IAE de Paris, the world-renowned Sorbonne Business School is an establishment which specializes in Management and Finance courses. It derives its specificity through its range of Executive Masters’ programmes where three-quarter of its students are relatively young (< 35 years old) and settled in their professional careers who study on a part-time basis either in Paris or somewhere else in the world. Sorbonne Business School is particularly dedicated to continuous executive education, and it has established a presence at the international level with offices in China, Japan, Vietnam, Lebanon, Algeria, Morocco and Egypt.

The teaching team consists of world renowned, high ranking professionals and academics from IAE de Paris - Sorbonne Business School.

**Eric Lamarque - Professor & Director of IAE**
*IAE de Paris - Sorbonne Business School*

Eric Lamarque is Professor at Sorbonne Business School and the Director of the Master in Finance. Author and coordinator of several articles and publications on Financial Management and Corporate Governance, he also acts as consultant for several institutions, accompanying them in their restructuring and their development strategy. He is currently the Chairman of the National University Management Council and a member of the Monitoring Council of “La Caisse d’Epargne” Aquitaine Poitou Charente.

**Olivier Brandouy - Professor**
*Université de Bordeaux & IAE de Paris - Sorbonne Business School*

Director of training programme, he conducts research and training in finance on topics such as Asset Management, Microstructure, Risk Management and Computational Finance. He is also in charge of a research team and member of the National University Council.

**Damien Mourey - Associate Professor**
*IAE de Paris - Sorbonne Business School*

Before joining the IAE de Paris - Sorbonne Business School as Associate Professor, he was Director of Performance Development for the European team of Supply Chain Management of Carrefour Group. He is a researcher at GREGOR - IAE de Paris. His research focuses upon the control of inter-company relations and upon the use of statistics in social interactions. Damien Mourey is also responsible for the MBA International Paris.

**Stéphane Albert - Associate Professor**
*IAE de Paris - Sorbonne Business School*

Stéphane Albert has occupied many high level positions in the banking sector for several years both in France and abroad. These include Asset Management, Asset Liability Management and Risk Management. His research works are mainly orientated towards Risk Management and Bank Performance based on two main drivers, i.e. the effects of restructuring and Corporate Governance.

**Philippe Jean-Pierre - Professor**
*Director of Master in Finance - IAE de La Réunion*

Philippe Jean Pierre is responsible for the Master in Sustainable Development and Territorial Planning at the Faculty of Law and Economics and for the Master in Marketing at IAE - Réunion. Specialised in the development of strategies for islands, his research works are focused upon territorial planning and competitiveness of organisations. Philippe Jean Pierre is also the Director of “L’Agence d’Observation de La Réunion de l’Aménagement et de l’Habitat (AGORAH).”

**Robert Trommsdorff - Associate Professor**
*IAE de la Réunion*

Robert Trommsdorff is Associate Professor at IAE - Réunion. He previously worked as lecturer at ESSEC from 2000 to 2013. A researcher at the CEMOI laboratory at Reunion Island University, he has published several articles in finance in international journals. Robert Trommsdorff also has a rich professional experience, which he has acquired while working for several large French corporate organisations - eg Credit Lyonnais, EDF, Sodexo. He is also responsible for several training programmes in finance and management.
