

MASTER IN FINANCE: Payment Terms

Course duration: 14 to 16 months

Frequency: A 5 day session per month across 12 months (9 modules – one module per month) (Wednesday to Friday from 13:00 to 19:00- Saturday from 08:30 to 17:30 –Sunday 08:30 to 12:30) and around 4 months to complete a Professional Thesis to be presented before a jury.

There is also an Education Tour to Singapore.

The course calendar has been designed to accommodate both the participants' professional life and the programme. The planning is available upon request.

Tariff

Course fee: 11,900 Euros. This includes the tuition and administrative fees, the meals and T-Breaks, books and case studies. It does not include the air ticket, transport and accommodation fee in Singapore

Payment modalities

The Master in Finance may be:

- Financed entirely by the candidate
- Financed entirely by the company (possibility of refund by authorities)
- Financed partially by investment funds such as : fongecifs, Opca...
- Or financed by both the participant and his/her company. Participants are encouraged to contact their different training investment funds.

A contract between Analysis Institute of Management and the participant will be established with the payment dates

Payment can be made across the 14 months training programme

In every case the whole amount must be paid before the end of the programme.
